FITS 88-20 SPORTSTER, 87-00 FXR, & 91-05 DYNA H-D MODELS

REQUIRES CUSTOM CYCLE ENGINEERING STANCHION TUBES (39MM):
SHOW CHROME: #DS-221472 Chrome - $251
HARD CHROME: #0404-0065 Satin - $400
DLC COATING: #0404-0325 Black - $447
TIN COATING: #0404-0335 Gold - $447

ATTENTION:

REFER TO FITMENT GUIDE IN PRODUCT DOWNLOADS ON WEBSITE:

1. You will need to replace the stock 39mm lower alignment cups (Oil Lock Pieces), as the stock parts are **NOT** compatible with the CCE stanchion tubes flow kit. The replacement alignments cups are Harley-Davidson part #45361-90, and are sold as a set of 2 cups.

2. Check prior to installation that part fits in the tube flow kit as shown.
